

UPPER
BRAES
PARISH CHURCH

we're all in this
together

Every family household works best when everyone ‘chips-in’ with the many tasks, large and small, that go on behind the scenes. As you contemplate your service to our Lord’s command to ‘go and make disciples’, is there a something below that He’s drawing you to?

with a view to helping

would like more information

Welcome and Hospitality

At the heart of every home, the warmth of the welcome sets the scene. Could that be you, as part of the Welcome Team, or the After-Church Cuppa Team?

Young Church

There is a wealth of youngsters in and around our community who need to hear how the Lord’s love is there for all of us. Could you be part of that team?

Boys’ and Girls’ Brigades

The Brigades have a such a lot to offer and there are so many young people who would benefit from being part of them. Could you offer some time to these activities?

Media/ IT

The benefits of media have come to the fore since Covid. The written word, recorded services and the website have all become valuable tools. Do you have an interest in this work?

DVDs and CDs Production / Delivery

Being able to record services means we can provide those who are unable to attend church with a CD or DVD recording. Could you be involved in the production and/ or delivery of these?

DVD and CD recordings of the morning service

Would you like to receive a recording of the morning service conducted in the Brightons Ministry Centre?

Music, Art, Drama

Without doubt, the arts enhance our worship as well as our lives. Is this an area where you could use your skills?

Learning Together

It's much more fun, and much more productive, to learn together. There are many such opportunities in the Guild; the Fellowship Groups; the Women's Rural Institute [WRI]. Why not come and see!

Serving one another

Martha's Pantry, Senior Citizens' Lunch Club, Thursday Morning Coffee Morning, to name but a few. Could you supply some of these resources? Indeed, could you be one of the resources!?

Getting there

Our communities are not renowned for the abundance of public transport. Would the provision of transport be of benefit to you?

Transport

In light of the above, would you be able to offer transport?

Ministry Centres Buildings

As in any home, maintenance is important in and around our buildings. Painting; Joinery; Plumbing; Electrical Work; Cleaning. Is this where your skills lie?

Ministry Centres Grounds

Grass cutting; Weeding; Pruning. Do you have some time to give to the maintenance of our little patch of God's garden?

Looking Upward in Prayer

Prayer is the engine room of every family of God. Apart from our personal prayer time, there is corporate prayer on a Sunday morning before worship, on a Thursday evening online, and the opportunity to lead Sunday prayers. All welcome.

Looking Outward

What do Pre5s, Belong, Bible Fun Club, Friendship Plus, HMP YOI Polmont have in common? They are all areas where the love of Jesus can be shown so that it can be known. Do you have some time to give to these ministries?

Door Duty Team

Is shepherding and stewarding more to your liking? Then this would be right up your street. Tick the gold box to find out more.

The only ability God seeks is availability

Are you available?

1hr? 2hrs? on a rota basis monthly/ fortnightly?

In the words of our local supermarket, Every Little Helps 😊

Name _____

Preferred contact details – address/ email/ telephone

Date: _____

Please either pass the completed card to any of the Duty Team, or

place in the Offering Plate, or

email your request to info@upperbraes.org.uk
