

### **Youth Church leaders meeting 23/9/ 25 7- 8:30 PM**

1. Opening and devotion Ephesians 2:18
2. Update from up and coming. As there is currently no leader for up and coming and therefore there is no update at the moment. it's a case of watch this space if you know of anybody who would be appropriate for this role, please let Scott know.
3. ASN the ASN group was disbanded because those targeted were not attending. The current plan is the children will continue in the groups that they're currently functioning in and as they turn 18 the leaders will change their PVG to include vulnerable adults. This means that they can stay within these groups where they are happy and settled and they can remain there until they are of the age of 25. This is all being checked with the Church of Scotland and the Disclosure Scotland to ensure that we are meeting the standards as required.
4. The new logo for the youth church. There has been one entry so far, we suggest two more weeks to close the entries. Anybody else would like to enter otherwise we will use the current one.
5. **Creche** has restarted and is going well. The transition will help with beginners as they are in the same hall. The only issue being families who have children in creche and in beginners come and go through the two groups and this causes a little bit of disturbance, but we are working with it.

**Beginners** could do with two more helpers as we've lost a few between 8 and 12 are attending and they are all enjoying it.

**Juniors** want to use the board closest to where their area is if that can be moved around. There are generally 6 to 8 attending. The new people are integrating well. They had somebody volunteered to help but unfortunately that is no longer going to happen so they could do with another helper. There was also a request that if juniors could be moved to different seating area within the church so that they can see the words on the screen to sing the hymns.

**Triple S** again 6-8 members they are a very artistic group so are doing lots of drawing. Currently reading diary of disciple for Peter, Paul Luke and Acts. They have a new helper one of the youth people.

**Flaim** low numbers to start but enough to always be running. Working through the parables and the older ones are getting involved in serving. They have started socials and events which always include food.

6. **Buddy Sunday** was as usual great with beginners and triple S. For Flaim and juniors it was too soon for their members. They will participate in the next one next date 22nd of February 2026.

**Nativity** will get the video started during the holiday weeks. We can give the children prompts to try and help them and the video will be played on the 14th of December.

**Dates** October 12th beginners will run all age Youth Church

October 19th juniors will run all age Youth Church

October 26th triple S will run all age Youth Church
